Comments: I spent two tours TDY at Korat 180 days each in 1967 and 1968. I was crew member on EC-121D College Eye Aircraft. I also flew out of Ubon , Udorn and Saigon two tours each prior to Korat between 1965 to 1967. I am a retired Air Force Major. I work as a civilian contractor for the Northrop Grumman Corp on the E-8C Joint STARS program at Robins AFB GA. Nice site brings back many memories. Thanks

Comments: I was with the 33rd Reefer Plt./Camp Friendship '69-'70. I've been stirring up memories surfing. I remember some wild times at the Sri Pritana. Your pool photo brings back the time I was walking along the pool with a fine pu-ying. A GI sitting with a group at the table thought it would be funny to push her in. I proceeded to clock the dummy, & ended up going at it with the whole table. I ended up knocked out, swimming on the cement! What a night... broken ribs & headache the next day. (Just living up to the 33rd's traditions). Wild times, memories... thanks for the site.

Comments: I was stationed at Korat from Sept 69 until Sept 70 in the 388th Security Police Squadron, Tiger Flight. Since we stayed on the perimeter all night and slept during the day(as much as possible in the heat), I didn't get to meet very many people from other units. My stay over there will always live with in my memories and I would love to go back someday. I am now a Chief Master Sergeant in the U S Air Force Reserve, 80th Aerial Port, Dobbins ARB, Ga. , but those long, dark nights, humping the bush with an M16 and "thumper" on my shoulder will always remain foremost in my mind as I look back over my career.

Comments: I TOO WAS IN KORAT 1967 TO 1968 THERE SEEM TO BE A LOT OF CHANGES AFTER I LEFT THERE IN FEB OF 68. WHEN I FIRST ARRIVED WE WERE NOT THERE WE WERE ONLY ADVISORS. THE ONLY AIRCRAFT WERE F-105'S NO REVENTMENTS. THE SOON STARTED TO BUILD THEM. I WAS AN AIRCRAFT MECHANIC. WORKED OF F-MODELS 2 SEATER WILD WEASEL AND RYAN'S RAIDERS. THE RYAN'S WHICH I WAS CREW CHIEF ONLY FLEW NIGHT MISSIONS OVER THE NORTH SINCE WE HAD THE MOST UP TO DATE RADAR. MY REVENTMENT WAS BETWEEN THE POST DOCKS AND THE ARIAL PORT. WHEN I FIRST ARRIVED I WAS IN THE 13th TFS AND THEN WE LATER CHANGED TO THE 469th TFS. I DO HAVE A PHOTO OF A SAM COMMING AS A F-105 AND OTHER PHOTOES OF THE ORIGINAL BASE BEFORE THE "BAT CATS" MOVED IN. I HAVE BEEN TO THILAND A COUPLE TIMES SINCE THEN BUT NEVER WENT UP TO KORAT. IT IS MY UNDERSTANDING THAT KORAT AB IS NOW A LOCAL AIRPORT WITH DALY DEMESTIC FLIGHTS. I LIKED YOU WEB PAGE.

We were there when the 553rd first got there and I was surprised to see faces that I was stationed with at Otis AFB with the 551st FMS. If anyone remembers Rivet Top or has any info on my plane or the guys I was stationed with plesa drop me an e-mail. I've been looking for these guys for years and have not turned up a single soul. Comments: I worked at the POL Maintenance yard and took some pictures of the flight line from that area. I also took some of the F-4's when they first arrived on base. They are all slides so will have to make them into prints and then scan them for you. I wish I could have taken more of those for sure. I took a lot of the B-52's at U-Tapao when the base was closed down for runway repairs. Oh yes I was there in 1968 to 1969 in the Maintenance Squadron.

I was the Crew/Chief on 59-1728 "D" model back at Nellis AFB, before it went to SEA. I also have some pictures to share. As soon as I get a scanner, I will send them. Saw-wa-dee everyone.

Comments: I was stationed at Korat from Jul 72 to Jun 73. I was an E5 70250 in the 388th Combat Support group, Base Commander's Office. The Base Commander at that time was Colonel John C.M. des Islets. He retired after his tour at Korat in late 73 and died in 1975. His widow is interested in contacting anyone who worked with him. Our office was housed in with the Mail room, OSI and the JAG staff. Anyone out there from those days? I would like to hear from you.
